COMITÉ NOVIEMBRE
FIRST ANNUAL TRIP TO PUERTO RICO
BUSCANDO NUESTRAS RAÍCES

SUNDAY, AUGUST 12, 2007 – MONDAY, AUGUST 20, 2007
HOLIDAY INN, 8020 CALLE TARTAK, ISLA VERDE, PUERTO RICO

Comité Noviembre would like to invite you to take a journey with us to explore our wonderful, beautiful and historic island. *“Buscando Nuestra Raíces”* is CN’s first annual adventure into a cultural and educational experience for Puerto Ricans and others who want to explore the richness of Puerto Rico’s culture, ancestral roots and history.

Twenty-one years ago, this volunteer non-profit organization was established with a clear mission to commemorate and acknowledge the contributions Puerto Ricans have made to this nation. The charge of CN is to promote, acknowledge, create awareness and take ownership of our rich culture, language, and history. Making this trip a reality was a natural progression of CN’s goals and mission. As we planned this trip we took into account that many of us although we visit the island frequently rarely visit the cultural and historical sites and landmarks unique to Puerto Rico and renowned around the world. This trip will take you on a journey that you will remember for the rest of your life. Come join us!
