## **CALL FOR PUERTO RICAN ARTISTS**

### **2005 POSTER DESIGN FOR PUERTO RICAN HERITAGE MONTH**

#### **Theme: Boricua! Atesora lo tuyo... Boricua!**

The annual theme is developed with the understanding that beyond celebrating our heritage, it must help to motivate, mobilize and empower our community around critical concerns. This year's theme: "Treasure what is yours," speaks to the outstanding accomplishments of the Puerto Ricans in all aspects of life and society from science, medicine and technology to music, dance and theatre. The theme addresses the importance of our achievements as a community and the impact it has had and will continue to have on society. The theme seeks to challenge each and every one of us to learn about our pioneers in these fields, feel proud of who we are and where we come from and commit ourselves to promote and teach others about our great contributions to this country.
