**Your goal is to become a physician. Our goal is to make it happen!**

Since 1978, Ross University has graduated more than 5,600 M.D.'s. Our faculty, curriculum, and facilities are all designed to prepare you for the future. That's why Ross students have great success in both the USMLE (a 90%+ first-time pass rate on the USMLE Step 1) and the residency match. It's why you will find Ross graduates at leading hospitals all across the country. Less than four years from now, you can be in a U.S. residency. If that's your dream, let us show you how Ross can make it happen.

## Why Ross University?

1. Exceptional facilities
2. Extraordinary faculty
3. U.S.-based curriculum
4. Flexible start dates
5. Financial aid availability
