

MCAT Advantage - On Site

Be focused and efficient with our most popular and convenient option. Motivated, ambitious and busy MCAT students want to know their prep is absolutely complete and will fit in with their other commitments.

With 54 hours of classroom instruction, plus 5 scheduled full-length practice tests, MCAT Advantage - On Site rewards self-starters who want to take control of their prep by being the most convenient, flexible course that provides complete prep.

Every student receives more than 11,000 MCAT questions in the computer-based test interface. We also include unlimited access to all 8 AAMC-released practice tests, for a total of 19 full-length computer-based practice tests. Each question comes with difficulty ratings and explanations for every answer choice, as well as our exclusive adaptive learning technology (Smart Reports™), which provides online score analysis and personalized recommendations.

Take-at-Home full-length test sessions and the MCAT Strategy and Critical Thinking 3 Session are designed to accommodate upcoming MCAT test dates and may appear in different sequences for different classes.
