

We Are.....Penn State

Program Dates:

May 28–August 2

Summer Undergraduate Research Internship Program (SURIP) 2013

Penn State University
College of Medicine

Penn State College of Medicine offers research internship programs for college undergraduate students between the Freshman and Senior years, who are preparing for a career in research. Our research experiences range from basic to clinical, representing cellular, molecular, biochemical, genetic, epidemiological, and systems approaches. Each year we receive over 300 applications from over 200 institutions for 30-40 positions. Over 20 Departments in the College have hosted interns. We invite you to learn more and apply to our program online at:

<http://www.pennstatehershey.org/web/summerresearch/home>

Penn State College of Medicine is committed to equal opportunity and maximizing our diversity, and thus encourages applications from women, underrepresented minorities, persons with disabilities, or persons who represent the first generation in their family to attend college.

Applications for 2013 are accepted until 12 noon February 11, 2013

Important Dates:

December 10, 2012—Application Opens

February 11, 2013 at 12 noon — Application Deadline

May 28, 2013 — Start of Internship

August 1, 2013 — Undergraduate Research Symposium

August 2, 2013 — End of Internship

We are looking forward to another fantastic group of interns and welcome your interest.
