### United in Anger: A History of ACT UP

by Jim Hubbard

This inspiring documentary traces the birth and life of the AIDS activist movement from the perspectives of the people in the trenches fighting the epidemic. Utilizing oral histories of members of ACT UP, as well as rare archival footage, the film depicts the efforts of ACT UP as it battles corporate greed, social indifference, and government neglect.

For more information on the film, see [www.unitedinanger.com](http://www.unitedinanger.com)
