SPEEDNETWORKING EVENT ***GET CONNECTED! FIND COLLABORATORS!***

Thursday, April 18, 2013

2:00pm- 4:30pm

**Hunter College • Solarium Conference Room
14th Floor East Building**

This event is exclusively for basic and clinical researchers from **Hunter College's Gene Center, School of Nursing** and the **School of Public Health**.

Collaborations are possible in one of the many areas of overlap between the three schools. These subjects include:

- *Addiction*
- *Neurodegenerative Diseases*
- *Social Determinants of Health*
- *Health Care and Policy*
- *HIV/AIDS*
- *Stress*
- *Obesity*
- *Cancer*
- *Urban Health Hazards*
- *Health Literacy*

The format will follow an organized rotation where you will have time to briefly talk with each attendee. In 90 minutes you will have an opportunity to meet more than 30 researchers and in three minutes learn about them and introduce yourself.

We will offer a planning award to the best collaborative preliminary research plan that comes out of the event (*only those in attendance are eligible to apply for the award*).

If you would like to be considered to participate, please e-mail the following information to charles@genectr.hunter.cuny.edu by **Friday, April 12, 2013**.

Name:

Department:

Research interest?

What expertise are you looking for in a research partner?

What you can offer a research partner?

Space is limited and is on a first come first served basis!
Refreshments will be served immediately after the event!
