

Help Make New York a Healthier City!

Participate in a *Take Care New York* Listening Session

Do you represent a community organization, health care provider, business, labor group or faith based organization?

The New York City Department of Health and Mental Hygiene invites you to come to any one of our five borough-wide listening sessions and share your ideas and strategies for implementing the City's new health plan, *Take Care New York*, to improve the health of your community. The 10 priority areas for improving the health of all New Yorkers include:

1. Tobacco-free Living
2. Healthy Eating
3. Active Living
4. Heart Health
5. HIV Prevention
6. Promote Mental Health
7. Reduce Alcohol and Substance Abuse
8. Prevent and Treat Cancer
9. Healthy Indoor and Outdoor Air
10. Quality Preventive Care
