

Student Intern/Volunteer Positions for Public Health Program

CAMBA is currently seeking a volunteer/intern for an exciting new HIV prevention program promoting parental and familial acceptance of LGBTQ youth in Brooklyn

RESPONSIBILITIES

1. Networking with agencies that provide services to LGBTQ youth and their parents
2. Helping to conduct and transcribe interviews for formative project evaluation
3. Helping to coordinate focus groups
4. Developing social media presence to promote project
5. Giving feedback on the development of a social marketing campaign
6. Attendance at relevant trainings and meetings

REQUIREMENTS

- < Knowledge of issues affecting LGBTQ youth of color in Brooklyn
- < Ability to work in a diverse community setting
- < Commitment of 6-8 hours per week for at least one semester

Students will be supervised by MPH program staff.

For more information, please contact (718) 675-3372 and ask for either:

LISA KOFFLER, Program Manager, ext. 52004, elisek@camba.org or

GENEVA MUSGRAVE, Project Manager, ext. 52001, genevam@camba.org
