JOIN US

JUNE 4-5, 2014

THE NATIONAL PRESS CLUB, WASHINGTON, DC

Join national experts, public health professionals, policymakers, and local activists from around the nation at this highly informative, interactive conference. You'll leave with the information you need to begin changing sugar-beverage policies and marketing practices in your community.

Topics will include:

- ◆ The latest policies and strategies to lower the consumption of sugar drinks
- ◆ The latest science on sugar drinks and health
- ◆ Lessons learned from past and current soda tax battles

In multiple interactive working groups, you will learn about:

- ◆ Creating powerful sugar drink messaging
- ◆ Sugar drink initiatives for local and state health departments
- ◆ How to work with legislators on sugar drink policy and regulation

REGISTER NOW
