

Public Health Student Poster Competition

April 24, 2014 2:30-3:30 PM

Awards Reception 5:00p-6:30p

Compete with other students from schools of public health in New York (and surrounding states) to highlight and share a health promotion/prevention issue in public health with other professionals across the state. Design a poster that has a specific focus in public health; complimenting the theme of the 2014 NYSPHA annual conference, but also in an area of interest to you and relevant to other conference attendees.

The overall theme is "Building Health Equity for All" and focus areas may include:

- ⇒ Healthy Aging
- ⇒ Earned Media and Public Health
- ⇒ Emerging Concerns in Public Health
- ⇒ Innovative Perspectives on Mental Health & Wellness
- ⇒ Achieving the NYS Prevention Agenda
- ⇒ Immigration: Improving the Health of our "new" New Yorkers

Posters will be judged by NYSPHA Board Members on the following criteria: general interest to public health professionals, originality, educational value, and overall presentation. We will accept (8) posters to display and select First, Second and Third Prize winners; who will receive a free 1 year membership to NYSPHA. There is an additional prize for first place winner and the school he/she is representing will be acknowledged in our newsletter and on our web-site. All winners will be awarded at the reception.

2013 1st Place Poster Winner was from:

New York Medical College
