9mm America

by Girl Be Heard

In lieu of a film, this First Fridays will be a LIVE PERFORMANCE of **9 mm America**, true stories written and performed by girls ages 14 to 23 living in NYC neighborhoods where gun violence is a daily threat. **GIRL BE HEARD's** youth-led activism inspires every production and this new show raises awareness about gun violence. From New York stages to the White House, productions of **GIRL BE HEARD** inspire audiences to become change-makers in their communities. This touring performance of **9 mm America** will be followed by a panel discussion with the performers, youth leaders and others concerned about violence in the community.
