

## **Cook for Kids: WITS Labs Volunteers Needed**

*Join **Chef Bill Telepan** and become part of a growing movement across the nation to change the way American school children eat. **Chef Telepan** and **Wellness in the Schools (WITS)** are seeking individuals from diverse backgrounds who are interested in shifting school culture through education. WITS Labs are cooking classes WITS Cooks teach two to four times a year in the classrooms. Volunteers are needed to assist with various tasks during classes to ensure smooth running of the Labs.*

### **Qualifications/Requirements:**

- A dedication and passion to improving health and nutrition in New York City public schools
- Organizational skills
- Enjoy working with children and chefs
- Available during school hours 8:30am to 2:30pm

### **Tasks:**

- Set up for each WITS Lab
- Pass out ingredients and cooking utensils
- Clean up at the end of each WITS Lab
- Follow instructions from WITS Cook

### **Details:**

- Time frame: October 2014 to June 2015
- Report to an on-site WITS Cook or Lab Instructor
- Background check cleared

All interested volunteers please email: [ting@wellnessintheschools.org](mailto:ting@wellnessintheschools.org)

**Please write WITS LAB VOLUNTEER in the subject line.**

***Wellness in the Schools** inspires healthy eating, environmental awareness and fitness as a way of life for kids in public schools.*
