

**ASSISTANT, ASSOCIATE OR FULL PROFESSOR
PUBLIC HEALTH NUTRITION
Department of Exercise and Nutrition Sciences
Milken Institute School of Public Health
George Washington University**

The Department of Exercise and Nutrition Sciences in The Milken Institute School of Public Health at George Washington University is recruiting a full-time tenured or tenure-track faculty member (12 month appointment) with expertise in the area of public health nutrition, including (but not restricted to) community nutrition, obesity prevention, food and nutrition policy, food security, the food and nutrition environment, food systems, nutrition assessment, nutrition epidemiology, or nutrition-related health promotion.

The Milken Institute School of Public Health has a diverse and growing faculty, with a \$40 million research portfolio. As the only school of public health in the nation's capital, faculty and students have a unique opportunity to work closely with government agencies such as the National Institutes of Health, the US Department of Agriculture and the Food and Drug Administration, as well as the numerous non-governmental organizations that are headquartered in DC.

Primary responsibilities for the position include an active role in public health nutrition research, teaching, and service. The successful candidate will devote approximately 50% effort to obtaining, implementing or overseeing funded research, and 50% to teaching, mentoring (students and junior faculty), and educational administration.

Qualifications for the position include: 1) an earned doctorate in nutrition, public health, or epidemiology; 2) relevant nutrition-related research experience; 3) relevant publications in peer-reviewed journals; 4) evidence of (or potential for) obtaining independent external research funding, and 5) evidence of successful teaching and advising experience.

Faculty rank and salary will be commensurate with expertise and experience. For the rank of associate or full professor, the candidate must have a demonstrated track record of excellence in teaching and obtaining independent research funding, and be a recognized leader in the field of public health nutrition.

To apply, please complete an online faculty application at <http://www.gwu.jobs/postings/24295>. Applicants are required to submit the following documents electronically: 1) a curriculum vitae; 2) a statement of research interests, accomplishments, and plans; and 3) a statement of teaching and mentoring experience. Review of applications will begin on December 1, 2014 and will continue until the position is filled. Only complete applications will be considered. For questions about the position, please contact Kim Robien, PhD, RD at krobien@gwu.edu. Employment offers are contingent on the satisfactory outcome of a standard background screening.
