

On Demand Dietitian

Recruiting Dynamic Mobile RDs!

On Demand Dietitian is recruiting driven, personable Registered Dietitians to join their nationwide network. The On Demand Dietitian team is seeking RDs with a progressive, holistic approach who stand on the forefront of the latest in nutrition.

On Demand Dietitian is reinventing the traditional nutrition counseling structure for the benefit of both the patient and RD. The Mobile RD position allows RDs to work from home and create their own schedules. RDs are able to promote themselves based on their nutritional expertise and area of specialty. Mobile RDs become known within our nationwide network and build their own clientele due to their expertise!

On Demand Dietitian encourages RDs with experience counseling in other languages, diverse counseling experience, or unique areas of specialty to apply.

On Demand Dietitian Mobile RD Requirements:

- Minimum 16 hour a week availability
- Promote and support the On Demand Dietitian's REAL Food Nutrition Philosophy
- Tech savvy as nutrition consults can be conducted via text, email and video conferencing
- Follow On Demand Dietitian's administrative protocol (i.e. log on to the RD portal once a day to manage upcoming appointments, participate in monthly reviews of previous client feedback with management, etc.)
- Be a positive representation of the On Demand Dietitian team
- Proof of RD Licensure and Insurance
