

# Eating Disorder Treatment Through A Medical Lens

with specialist Dr. Karen Rosewater

Please join us for an information session and Q&A with Dr. Karen Rosewater on the topic of eating disorders as seen through the eyes of a physician.

Dr. Rosewater is iaedp NY's Medical Liaison. She is a graduate of Yale University and the Yale University School of Medicine. She completed her residency in pediatrics at Boston Children's Hospital – Harvard Medical School. Dr. Rosewater works as a physician in a private practice, AYAM (Adolescent-Young Adult Medicine) in NYC, where she cares for pre-teens, teenagers, and young adults providing primary care and specialized care, including the treatment of eating disorders.
