

# ORGANIC CHEMISTRY TUTORING!

## What we offer:

- Individualized tutoring with an emphasis on preparing you to solve problems using critical thinking instead of memorization
- Highly structured learning to prepare you for your exams
- Flexible schedules to accommodate your needs
- Competitive rates for hourly tutoring sessions
- Tutoring available inside Hunter College so no need for extra travel

## Who we are:

- A group of highly experienced tutors with a passion for learning and teaching
- Current TAs for Organic Chemistry
- Very committed individuals
- Recent graduates from Hunter College who have taken both Organic Chemistry Professors at Hunter and received As in the courses
