

**ATTEND AN OPEN HOUSE FOR THE HUNTER COLLEGE ADVANCED
CERTIFICATE IN CYTOTECHNOLOGY ON WEDNESDAY, DECEMBER 9,
2015 FROM 5:00-6:00 pm**

Members of the Memorial Sloan Kettering Cancer Center (MSKCC) Dept. of Pathology will be there to discuss the field of cytotechnology and answer your questions about the program. If you are interested in attending, please RSVP by sending an e-mail to Dr. Steven Einheber at seinhebe@hunter.cuny.edu. Instructions, including the specific location of the meeting, will then be sent to you. Due to space limitations, only those who RSVP will be allowed to attend.

The Department of Medical Laboratory Sciences at Hunter College is excited to offer the new Advanced Certificate in Cytotechnology (began fall 2015)

- This 1 year, 26 credit post-baccalaureate graduate program prepares students for careers as cytotechnologists.
- The program is being offered in partnership with **MSKCC**.
- All Clinical training for the program will take place in the Cytology Service in the Department of Pathology at MSKCC.
- Application deadline: March 1, 2016

For more information about the Advanced Certificate in Cytotechnology including course prerequisites, please visit <http://www.hunter.cuny.edu/mls> .If you have any questions about the program, please contact Dr. Steven Einheber at seinhebe@hunter.cuny.edu .
