

*Do you need a support network?  
Do you need help to create a strategic plan to successfully get to the next step?*

***Mentoring In Medicine, Inc. (MIM) is a nonprofit 501 (C) 3 organization founded in 2006. MIM is a continuity national program that provides services to students from elementary school throughout health professional school.***

*The mission of MIM is to help students become competitive applicants to and graduates from health professional school and to increase health literacy. Through academic enrichment, leadership development, civic engagement and mentoring, MIM empowers students to achieve their dream of becoming a science or health care professional.*
