***The prize-winning paper, and any “honorable mention” paper, will be considered for publication in *Informal Logic* if it has not already been published or accepted or committed for publication elsewhere and is not under consideration for publication elsewhere, and if the author consents to its consideration for publication in *Informal Logic*. The editors of *Informal Logic* will arrange for blind review of the paper if these conditions are met. The author will be expected to revise the paper in light of the reviewers’ suggestions, or to justify not doing so.**
