

**Registered Dietitian / Clinical Nutritionist
Ambulatory Pediatric Weight Management Program
Columbia Campus**

We have an exciting new **PART TIME (0.5 FTE)** position in our **AMBULATORY PEDIATRIC PROGRAM**:

The ideal candidate must be a dynamic Registered Dietitian (RD) motivated to provide medical nutrition therapy for pediatric weight management patients. This opportunity will enable patients and families the advantages of a Dietitian working closely with interdisciplinary providers to insure outstanding individualized, patient centered care during their outpatient experience.

NYS certification (CDN) and a minimum of one (1) year of pediatric acute care experience is a must. Experience in outpatient nutrition settings, weight management programs and/or a Master's degree preferred. Bilingual (English-Spanish) skills are a plus.

Please forward your resume to:

Debra Katz RD, MPH
