Adult Peanut Allergy Study

Research Participants Needed!

11/08/2016 - 08/08/2017
HSM#16-00892

Are you between the ages of 18-50 years and have a peanut allergy?

- The Jaffe Food Allergy Institute at Mount Sinai Hospital is conducting a study to assess the safety of a **peanut vaccine** to treat peanut allergy
- Participation includes **one 4-5 hour visit weekly** for 4 months, along with a follow-up visit and telephone calls
- **Compensation** is $200 for each visit for your time and travel costs will also be reimbursed

For more information, contact the Jaffe Food Allergy Institute at:
foodallergyresearch@mssm.edu OR 212-241-2000
