

**NewYork-Presbyterian Hospital - Columbia University**

**Clinical Nutritionist - Registered Dietitian**  
**Oncology Outpatient**  
**0.8FTE (part time)**

The ideal candidate must be a dynamic Registered Dietitian (RD) motivated to provide individualized comprehensive medical nutrition therapy for oncology and ALS patient populations in an outpatient setting. This opportunity will enable the advantages of an outstanding skilled dietitian, working closely with interdisciplinary providers, to insure exceptional patient centered care experiences for our patients and families.

**Required:**

**Registered Dietitian (RD) and NYS certification (CDN)**  
**Minimum of one (1) year of clinical nutrition experience**

**Preferred:**

**Certified Oncology Specialist (CSO)**  
**Experience working in an outpatient nutrition setting**  
**Experience working with oncology and/or ALS patients**  
**Master's degree**

**Bilingual (English-Spanish) skills are a plus**

Enjoy competitive compensation along with benefits such as tuition reimbursement, hospital retirement contributions, and financial planning assistance. NewYork-Presbyterian Hospital is an equal opportunity employer.
