

# Private Duty Home Care Assistant Job Opportunity

Compass **Care** is a newly established Concierge Care Management and Home Care company (a non-medical, companion care company). Compass **Care** was founded by renowned geriatrician and managed by gerontologists. Compass **Care** clinicians are trained in all facets of care which foster optimal well-being while aging. We have devoted our careers to promoting the highest quality of life for older people and appreciate the importance of aging with dignity and as much independence as is safely possible.

We are seeking post-bacc and graduate students interested in the health and human services fields who are serious about exploring or pursuing a career in gerontology. We are looking for candidates who are interested in making a difference in older people's lives and joining our team by becoming a Compass **Care** Assistant ("CCA").

Our CCAs have superior personal skills and a desire to advance the quality of life and health outcomes for our clients. Among the CCA activities are: event and activity planning based on client residence, their capabilities, and interests; accompany client to appointment; provide medication reminders; perform light housekeeping, conduct errands (e.g. grocery shopping, etc.), perform meal preparation, and provide ongoing safety oversight. Compass **Care** provides highly competitive pay and extensive training opportunities on an ongoing basis. Our CCAs are trained in the excess of the legal requirements of Certified Nursing Assistant and/or Home Health Aides. We provide our proprietary and signature hospitality training (Compass **Care** *Work*<sup>™</sup>) to each of our CCAs as well.

At Compass Care, we deliver an unprecedented level of service and support for our clients and their families. To accomplish this, we have an exclusive team of professionals. If this resonates with you, please send your resume to
