Join legendary actress/activist Jane Fonda and worker rights advocate/co-founder of Restaurant Opportunities Centers (ROC) United Saru Jayaraman for a wide-ranging discussion on workplace inequality in New York, Michigan, Washington, DC, and nationwide. The conversation will address women workers' issues, including subpar wages and sexual harassment. It will also spotlight New York workers' current efforts to raise the tipped minimum wage (One Fair Wage campaign), improve living and working conditions, and build power.
