

Dentistry as a Career Path: Columbia University College of Dental Medicine

a presentation

In collaboration with
the CCNY PreDental Honor Society
&
CDM Population Oral Health
Ambassadors for a Diverse Dental Workforce

CUNY The City College of New York
Tuesday, November 28th, 2017
6:30pm
Marshak Science Building Room 801

*Health professions like dentistry need a diverse
workforce with practitioners from all types of
backgrounds to best serve their patient populations.*

*Come learn about how a career in dentistry can be right
for you!*
