

# Weill Cornell Medicine

**Get your healthcare career started with  
Weill Cornell Medicine!  
Apply today for the Healthcare Talent  
Pipeline interviews on campus.**

**Application Deadline:  
Thursday, December 28th**

Do you love meeting new people? Are you detail-oriented, motivated, and a great problem solver? Do you want to pursue a career at one of the nation's leading academic medical centers? We want to hear from you!

Weill Cornell Medicine is looking for bright, career-driven talent for entry-level administrative and patient service positions in the Radiology Department. Apply today for your opportunity to support Weill Cornell's physicians and provide outstanding service for patients.

Radiology Customer Service Representative, Job ID: 110830

- The call center is a great environment for learning about all aspects of Radiology and to get exposure to medical conditions and terminology
- You will be the first point of contact for patients, medical practices, and doctors, receiving exposure to all possible questions and medical scenarios

Pre-Authorization Coordinator, Job ID: 110831

- Great place to learn about the business side of a medical practice, lots of exposure to insurance companies, billing practices, and medical coding/terminology

The employer is seeking June, 2017, September, 2017, and January, 2018 graduates.

Apply through your CareerHunter account by clicking the link below and searching for the Job ID's referenced above. Only approved resumes will be submitted to the recruiter for consideration.
