Lead Educator/Nutritionist – Seasonal Part-time Position

BronxWorks helps individuals and families improve their economic and social well-being. From toddlers to seniors, we feed, shelter, teach, and support our neighbors to build a stronger community.

We are seeking a Lead Educator/ Nutritionist to implement interactive nutrition education workshops alongside cooking demonstrations using the Stellar Farmers' Market curriculum and recipes that feature seasonal produce from our Mott Haven Farmers' Market. The nutrition education workshops will be implemented outside at our farmers' market and will target a range of audiences (adults, seniors, parents, and youth). The Lead Educator/Nutritionist will also work directly with the Lead Culinary Food Educator in the preparation and delivery of nutrition education and cooking demonstrations at the farmers' market. This position is part-time and seasonal to coincide with farmers' market season (June through November). The selected candidate will be required to attend a 2-day training during the last week in June and commit to working on Mondays, 9am to 5pm (8 hours) from July 9 to November 19, 2018.

Duties:

The Lead Educator/Nutritionist will:

- Lead and organize the implementation of interactive nutrition education workshops that feature seasonal and local produce at the Mott Haven Farmers' Market
- Incorporate key messages and themes from the Stellar Farmers' Market nutrition education curriculum into the workshop lessons coinciding with the cooking demonstrations
- Conduct background research necessary to supplement workshop curriculum and topics
- Educate audiences about the importance and benefits of cooking with seasonal produce
- Ensure all staff at the farmers' market maintain food safety standards and integrity of the program
- Help clean and sanitize all cooking equipment used in cooking demonstrations
- Promote nutrition education workshop sessions to ensure participation is achieved
- Collect demographic and evaluation data from participants and upload to evaluation database
- Provide regular feedback to BronxWorks Nutrition Program Coordinator
- Participate in trainings and meetings with other program staff

Preferred skills/qualifications:

- Minimum 15 college credit hours in nutrition courses (RD/RD eligible preferred)
- Knowledge of NYC farmers' markets, regional foods, and community food issues in the Bronx
- Experience leading nutrition education workshops in multi-cultural settings with diverse populations
- Excellent presentation, interpersonal and communication skills
- Willingness to work standing for long periods of time outdoors in a variety of weather conditions
- ServSafe certification or successful completion of the NYC Food Protection course

Compensation: Dependent upon experience, skills/qualifications
