

Columbia Synapse presents:

The Spring 2021 Conference: *The Social Brain*

Dates: **March 13** | 12:00 - 6:30pm EST
 March 14 | 12:00 - 5:45pm EST

Location: Virtual; Zoom links will be provided upon registration.

Columbia Synapse is a New York City-based service organization guided by principles of neuroscience, community, and advocacy for the community of individuals with brain injury.

The Synapse team has closely engaged a range of healthcare professionals and social workers in order to curate a conference program for Brain Injury Awareness Month. *The 2021 Conference: The Social Brain* will be held virtually on March 13th and March 14th, and will consist of a gamut of lectures and workshops.
